Get Your Organization Involved!

The Camp Sunshine Pumpkin Festival is a perfect opportunity to get your employees involved with a one-of-a-kind event for an important cause!

In 2026, sponsors can expect a three-day expansion of Camp Sunshine's iconic Pumpkin Festival, which has been a beloved Maine tradition since 2003! Now spanning three-days, including a Friday movie night, two full days of live entertainment, including a lively children's costume parade, new tent-or-treat activity, exciting children's activities, and a new 5K! All in support of families of children with life-threatening illnesses and their families.

With a weekend of exciting events and activities planned, the Camp Sunshine Pumpkin Festival will provide truly "out of the box" promotion for your company! Join an event with a proven track record of success and have a "gourd" time as well!

Event Promotions

While special priority is given to higher level sponsors, each sponsorship level offers a robust menu of benefits, and every effort is made to maximize exposure for all sponsors. The following media partners, promotional plans, and outreach groups will ensure prime visibility and maximum community involvement.

WMTW Our Official Television Sponsor, WMTW helps promote the event through their multiple platforms, providing extensive exposure to the Camp Sunshine Pumpkin Festival.

MAIN STREET BANNER For one week leading up to the event a 30 foot banner will be placed on Main Street/Rt. 1 (15,000 cars per day) announcing the festival and highlighting top sponsors.

CAMP SUNSHINE In addition to the promotions provided by the media, Camp Sunshine promotes the festival through email blasts (Camp Sunshine email list is over 42,000 people), Facebook posts, and press releases. Camp Sunshine also promotes the event via the posting of event fliers and posters around Freeport and the surrounding communities.

Camp Sunshine also invites event sponsors and partners to reach out to their audiences via email blasts, Facebook posts, etc. In the past, sponsors have sent email blasts to customers inviting them to sponsor pumpkins, and the responses are always extremely positive. We will again encourage all other sponsors to do the same this year. These and all other efforts will help increase event attendance and recognition of sponsors.

SCHOOLS In 2026, dozens of elementary and high schools around Southern Maine will team up with Camp Sunshine to carve 500-1,000 pumpkins per school for a total of approximately 8,000 pumpkins to be displayed and given away throughout the festival! Camp Sunshine provides all schools with their pumpkins to carve, as well as information about our event sponsors, which further adds to attendance of the event and exposure for all sponsors.

SPONSOR EVENTS & PARTICIPATION Festival sponsors have the opportunity to create their own events connected to the festival and Camp Sunshine, both leading up to the event date, and also on site at the festival.

Sponsors can sell paper pumpkins in retail locations, create a pumpkin themed game or activity for families or for the more creative build a unique pumpkin display! A great event for sponsors is an employee and customer carving day at sponsor's location.

LET'S HAVE FUN & GET CREATIVE! As a sponsor of the event, you will have the opportunity to work closely with Camp Sunshine to tailor your sponsorship in a way that best suits your needs and interests. If you have ideas that will enhance your sponsorship experience, please feel free to share those with us. We want this event to benefit you and all involved.

Volunteer Opportunities

Volunteers are key players at the Camp Sunshine Pumpkin Festival. Hundreds from across Maine and New England will flock to Freeport for the day to help with every aspect of the event.

Nearly 200 volunteers will sign up using an online registration system and pick the volunteer assignment that best fits them. This could be carving pumpkins, helping with pumpkin distribution, childrens games, vendor support, or information tables.

Without volunteers, this festival would not have the energy and excitement it does each year. We highly encourage all sponsors to reach out to their employees to volunteer at the festival.
